## OBJECTIVE

---

I just graduated in information technology, and I had the opportunity to intern at FPT Software, where I successfully completed a web application development project using React and Node.js. With solid programming skills and effective teamwork abilities, I am eager to apply for an intern position at your company. I believe that my enthusiasm and willingness to learn will enable me to contribute to developing high-quality software solutions and enhancing the company's operational efficiency.

## EDUCATION

---

**University of Greenwich**

2018 - 2023

Information Technology

Subject: Data Structures and Algorithms, Object-Oriented Programming, Advanced Programming

GPA: 3.0 / 4.0 - Degree classification: Good

## WORK EXPERIENCE

---

**VNT Company**
